

A d c energy systems l l c Oman

Over the two decades, we have installed many successful Solar Power Systems at remote inaccessible and delivered power and energy to homes and businesses across the Oman, UAE and MENA region. Our mantra of making technology as simple for our customers as possible has seen us become pioneer and country's biggest independent technology providers.

Energy is seen as one of the most determinant factors for a nation's economic development. The Sun is an incredible source of inexhaustible energy. The efficiency of the conversion and application of Photovoltaic (PV) systems is related to the PV module's electricity generation and the location's solar potentials. Thus, the solar parameters of a region are ...

The company holds a very good reputation in Oman for its excellent performance & highly qualified technical team. ... MUSCAT - OMAN Renewable Energy Systems Co. LLC. PO Box 1265, P Code 114, Muttrah - Muscat, Region Code: 001, Sultanate Of Oman. T: (+968) 24819293, F: (+968) 24702128,
