Solar Choice is het kindje van Wessel Dappers. Met zijn diploma "monteur elektrotechnische installaties" op zak, trok hij in 2017 de wijde wereld in. In Australi&#235; werkte hij negen maanden als installateur van zonnepanelen en kreeg hij de smaak van zonne-energie te pakken. Terug in Nederland deed Wessel nog meer waardevolle ervaring op als ...

How we test solar panels. In previous solar panels tests that we did with the CSIRO, the testing included lab tests and outdoor testing. For our projects with PV Lab, all the testing is lab-based, but the lab tests include stress tests designed to see if the panels are likely to survive heat and moisture from long-term exposure to the elements.

About Eco Choice Solar As a registered electrician with a keen interest in sustainability, Clifton Springs/Drysdale local Brenton Flynn first started Eco Choice Heating and Cooling in 2013. The Eco Choice brand continues with Eco Choice Solar to provide Geelong, Bellarine and Surf Coast residents with a local installer they can trust.
