LUK Solar Ltd. was founded in 2013 as a specialized company for solar products by Kurt and Lisa Z&#252;gner and John Baptist Walusimbi in Uganda. Our goal is to bring solar energy to the huts and houses in Uganda. We offer high-quality products at affordable prices to the people of Uganda. Thanks to our specially developed Solar Group Concept and ...

#MediaExcelTuesday We are amplifying impact through Media Presence. At LUK Solar Ltd we're proud of our robust media presence through working with and standing on shoulders of our giant partners! Last week, we participated in the 2nd Energising Development (EnDev) Global Knowledge Exchange Event, showcasing our innovative solar energy solutions. ...

Improve your family"s life significantly by upgrading to bright solar light. In order to experience the benefits of bright solar light, we have initiated the Solar Light Women Group Campaign, which is exclusively to groups who meet frequently.
