

is a vertical media company dedicated to the Renewable Energy. we are one of the largest influential media in the world. To enhance the business cooperation across the land and inland and to promote green energy, ...

A Formal Delay, But Urgency Remains On July 18, 2025, the Council of the European Union adopted a regulation delaying the due diligence obligations under Regulation (EU) 2023/1542 to August 18, 2027. The change ...

In July 2025, the Thailand Board of Investment (BOI) officially launched a new round of industrial upgrade policy adjustments, introducing enhanced support measures specifically targeting the ...

It was a pleasure to see your impressive display at Solar & Storage Live Vietnam -- your innovative solar and storage solutions truly stood out. We'd like to formally invite you to exhibit ...

By drawing parallels to the early days of solar Net Metering, he makes a powerful case for a standardized framework that supports distributed energy storage. Unlocking this potential ...

The Electricity Generating Authority of Thailand (Egat) plans to convert three hydropower dams into massive energy storage systems with a 90-billion-baht investment. This effort aims to stabilize the clean energy supply, ...

These modules are engineered to lower Levelized Cost of Energy (LCOE) and perform reliably in Thailand's environmental conditions. To complement its PV offering, Trinasolar will introduce ...

The challenge with Renewable Energy sources arises due to their varying nature with time, climate, season or geographic location. Energy Storage Systems (ESS) can be used for storing available energy from Renewable ...

Trinasolar brings to Thailand a full suite of PV and storage offerings, fresh from its global showcase at SNEC 2025 in Shanghai, the world's largest solar expo. Highlights include its high ...

Heating, ventilation, and air-conditioning (HVAC) systems account for the largest share of energy consumption in European Union (EU) buildings, representing approximately 40% of the final ...

For over 40 years, PTTEP has committed to providing secure and affordable energy to the countries where it operates. Starting from its roots in Thailand, PTTEP has grown into a ...

Dive deep into ASEAN Sustainable Energy Week 2025 - Leading Renewable Energy & Environmental

Bangkok benefits of energy storage

Technology Event, its exhibitors, schedules, and highlights. Join us in Bangkok during July 02 - 04, 2025 for one of 2024's ...

Unlocking a ?Cleaner, More Reliable Grid: The Promise of Long-Duration Energy Storage (LDES) The ?future of energy is clean, reliable, and always-on. But achieving this requires more than ...

From microgrids to utility scale energy storage, often in collaboration with our renewable energy team. Interface with clients at all levels, manage contractual relationships and respond to ...

Latest news on energy storage projects, BESS, capacity expansion, and regulatory updates across Europe, US & Canada, Latin America, and Asia Pacific. Discover how energy storage solutions support renewable energy ...

Trinasolar brings to Thailand a full suite of PV and storage offerings, fresh from its global showcase at SNEC 2025 in Shanghai, the world's largest solar expo. Highlights include its ...
