Why should you use Eaton's energy storage system?

With Eaton's energy storage systems, homes and businesses gain access to a safe, reliable and efficient power management that harnesses the full potential of renewable sources. Now you can store energy when it's available and when rates are at their lowest, and use it when you need it.

Why is Eaton partnering with Singapore's Sustainable Tropical data centre testbed?

Coming on the back of its partnership with Singapore's Sustainable Tropical Data Centre Testbed, the introduction of these energy transition solutions builds on Eaton's mission to improve the quality of life and the environment.

What is Eaton xstorage compact?

Eaton xStorage Compact is modular and scalable to adapt to changing power capacity needs, from growing local solar production to an increased number of on-site EV chargers. xStorage Compact is an all-in-one single rack energy storage system with a small footprint that is suitable for both commercial and industrial buildings.

What is Eaton EVCI & xstorage Bess?

The introduction of Eaton's EVCI and xStorage BESS solution comes on the back of Eaton's investment in low-carbon research and development for the data center industry. In June this year, Eaton joined Singapore's STDCT project as a consortium member.

Does Eaton provide data center power management solutions?

As part of this collaboration, Eaton will be providing data center power management solutions such as UPS, lithium-ion batteries and busway systems amounting to approximately S\$300,000 to the STDCT.

How do I contact Eaton xstorage compact?

Contact sales via web form by clicking the link above, or call us: +44 (0) 1753 608 700, option 2 then option 2

Contact us via web form by clicking the link above, or call us: +44 (0) 1753 608 700 option 3, then option 2

Eaton xStorage Compact is an all-in-one single rack battery energy storage system that fits into limited space.

The Eaton xStorage Compact energy storage system enables buildings owners and facility managers to solve power management challenges for their small and medium commercial and industrial sites. Eaton xStorage Compact helps them ...
