Who is cellcronic technology?

Cellcronic technology is a leading online power backup solution provider in India. We provide Hybrid Inverters, LifePo4 Battery, and Solar Air Conditioner. At Cellcronic, we're not just selling backup solutions - we're empowering your home with uninterrupted comfort, security, and peace of mind.

What is a cellcronic inverter?

The Cellcronic inverter is a game-changer for my home. It ensures uninterrupted power supply, making life so much easier. I've been using Cellcronic's inverter for months now. It's durable, efficient, and has significantly reduced our electricity costs. Cellcronic's inverter is a lifesaver during power outages.

Why should you choose cellcronic?

Each Cellcronic product undergoes rigorous testing to ensure it meets the highest standards of performance and durability. We thrive on innovation. Our relentless pursuit of technological advancements ensures that you have access to the latest and most efficient power solutions. We take our responsibility to the planet seriously.

Galaxy 6G is a 6th generation inverter technology. It comes with loaded accessories like Battery wire, ACDC box, CT sensor, Battery temperature sensor, and communication cables. It supports high PV voltage (120~425vdc) for easy ...

Cellcronic is an online store for power backup products. We offer everything you need for uninterrupted comfort and security, from industry-leading hybrid inverters and long-lasting LiFePO4 batteries to eco-friendly solar air conditioners. Facebook Instagram . Email

Galaxy 6G is a 6th generation inverter technology. It comes with loaded accessories like Battery wire, ACDC box, CT sensor, Battery temperature sensor, and communication cables. It supports high PV voltage (140~800vdc) for easy PV installation. We can connect 16 inverters in parallel for a big operation.

Compatible with Cellcronic 20Kw & 50Kw High Voltage Hybrid Inverter; 5 Year Warranty. The Stack 3.0 High Voltage Energy Storage Series features a modular design, making it simple to adjust your storage capacity by adding or removing ...

Crafted out of Lithium Iron Phosphate (LiFePO4) technology, this is a battery built to last. With 4,500+ recharge cycles @80% DOD the 200Ah provides 5X the lifespan than your typical SLA battery. Built in smart BMS which can realize real-time monitoring the battery. It is the best home storage solution available in the market.

Cellcronic launches Alpha Pro 5Kw Inverter. Its maximum load capacity is 6Kw and its maximum solar capacity is 9 Kw. Warranty is 2 years. If you want to buy this Inverter then you can contact us on the number
