601 Travis houses the headquarters of Dynegy. Dynegy Inc. is an electric company based in Houston, Texas owns and operates a number of power stations in the U.S., all of which are powered by fossil fuels. [5] Dynegy was acquired by Vistra Corp on April 9, 2018. The company is located at 601 Travis Street in Downtown Houston. [6] The company was founded in 1984 as ...

I am passionate about sustainability, and strive to gain new knowledge towards the engineering world. I always give it all I got when I am working on something. I take criticism very well, and use it to try and improve on whatever I need to work on. My hopes and dreams are that one day we can push forward sustainable energy sources and move off of fossil fuels, so that future ...
