

Ekt battery Croatia

Who is EKT batteries?

EKT is a leading lithium battery manufacturer for solution providers, original equipment manufacturers, and end users. Our over 10 years of experience and expertise in lithium batteries means we have the experience needed to manufacture quality batteries. We back all our products with a comprehensive service guarantee.

Who is EKT (EIKTO) lithium battery?

We Power Your Business ! |EKT (EIKTO) Lithium battery is world's largest manufacturer of Lithium Battery for Material Handling Equipment. We are the official supplier of top OEMs, also, is a pioneer to bring a cost-effective Lithium battery solution for global market. Our product ranges from 24V, 36V, 48V, 72V until 80V.

What makes EKT a good battery company?

EKT has a state-of-the-art manufacturing facility and R&D center to ensure that our lithium batteries, lithium battery modules, and lithium battery systems are always of the highest quality during development, manufacturing, and testing.

Who is EKT traction lithium-ion battery?

EKT is the only traction lithium-ion battery industry supplier that provides end-to-end solutions, from cells to modules to complete systems. We have more than 600 experienced engineers, product developers, and technicians dedicated to manufacturing high-safety standards and reliable products for our customers.

Does EKT offer a cloud-based service?

EKT can offer cloud-based services thanks to the implementation of telematics and a mobile phone APP (Lithium Partner). When it comes to the components, you can precisely check each battery system's details from the EKT database. Haven't Found The Right Forklift Battery Yet?

Why should you choose EKT as your lithium-ion battery supplier?

Choose EKT as your lithium-ion battery supplier, you will get world-class facilities and R&D centers, a wide range of solutions and a fast-response service team. The length is ingeniously designed, and the internal resistance range is appropriate, which is conducive to high power output. Fully Laser Welding for robustness and anti-vibration.

Thanks for choosing EKT product! About EKT With annual capacity of 2 Giga KWH, EKT is leading manufacturer of industrial Lithium battery. EKT's fully automatic facility and cutting-edge R&D center can ensure your product is carefully developed, manufactured and tested. Our mission is to power your business with green energy.

EKT We are the largest supplier of Lithium Traction Battery for Material Handling Equipment. We are the
