

Endoscope storage cabinet Oman

What are the storage cabinets for endoscopes?

MDG Engineering produces storage cabinets, specifically for endoscopes, with a horizontal layout. These cabinets allow for aseptic storage, up to 800 hours, for up to 10 flexible endoscopes of any brand and model. MDG Engineering offers the DRS-215(TM) and DRS-218/S(TM) cabinets within their horizontal storage line.

How many Endoscopes can be stored in a Truair storage cabinet?

Our TruAir(TM) Scope Storage Cabinet offers a safe, sterile environment for four to 18 endoscopes. This storage cabinet also includes the following features: If your medical facility requires medical grade cabinets, chat with one of Capsa Healthcare's experts for additional information and a quote on the product.

What is the reliability 6500 endoscope drying and storage cabinet?

The RELIANCE 6500 Endoscope Drying and Storage Cabinet is designed to help you manage access to your endoscope inventory, track key parameters, and easily access vertically hanging endoscopes, all in an organized and controlled drying environment.

How does a HEPA filtered endoscope dry & storage cabinet work?

Forcing HEPA-filtered or instrument air through endoscope channels facilitates drying, can evacuate and/or accelerate the evaporation of residual alcohol (if used), and reduces the likelihood of progressive endoscope contamination by waterborne pathogens. How the RELIANCE 6500 Endoscope Drying & Storage Cabinet Works

How many Endoscopes can be stored?

It accommodates 12 or 20 endoscopes, with expansion models enabling storage of up to 40 endoscopes. In addition to colonoscopes, specialty endoscope hangers facilitate placing and removing various endoscope types while minimizing contact between stored devices.

Does the endoscope cabinet have a true HEPA filter?

The endoscope cabinet is equipped with a TrueHEPA filter, which creates continuous positive air pressure inside. It's available in two sizes with the capacity to store up to 18 endoscopes and includes a hinged glass door with options for key or keyless locking for added security.

This 26.75"-wide, 19.25"-deep, 48"-high wall-mounted scope cabinet is vented on the top and bottom, has a padded rear wall to protect scope optics, includes a removable drip tray, and adjustable scope managers and cord retainer.

The Evolve scope cabinet offers adaptable configuration for endoscope storage, with capacity for 8 or 16 scopes. Top and bottom vents, padded rear wall, removable drip tray. Formerly Stanley InnerSpace 3800AA, 3800DA, 3800DV, 3800VA, 4800AA, 4800VA, 4800DA, 4800DV, 5884AAS, 5884AAG, 5884DAG,
