

Updated 1st July 2025 - The Red Sands Battery Energy Storage System (BESS), set to be Africa's largest of its kind, has officially reached commercial close. Developed by Globeleq, which is 30% owned by Norfund, in partnership with ...

Wnioski Choosing the right energy storage format is more than just selecting a battery--it's about investing in a reliable, maintainable, and scalable infrastructure. Rack mounted batteries offer ...

Latest news on energy storage projects, BESS, capacity expansion, and regulatory updates across Europe, US & Canada, Latin America, and Asia Pacific. Discover how energy storage solutions support renewable energy ...

The 100MW/400MWh vanadium flow battery energy storage power station marks a significant step toward grid stability and efficient renewable energy utilization. The project was invested ...

Construction at the Red Sands battery energy storage system (Bess) plant in South Africa's Northern Cape is imminent following financial close on 1 July. Once completed, the project developers said the plant will be one of ...

JSW Energy, through its step-down subsidiary JSW Renew Energy Forty Five has signed a 25-year power purchase agreement (PPA) with Bangalore Electricity Supply Company Limited (BESCOM). The agreement is for a grid-connected ...

Democratic Govs. Tim Walz, Laura Kelly plan split from NGA over Trump response: Report Dave Ramsey warns Americans on Social Security Record number of farms shut in wake of inheritance tax raid ...

It paves the way for the joint development of battery storage and renewable energy facilities aimed at enhancing the state's energy resilience and aligning with national sustainability goals.

New Delhi, Jul 27 (PTI) State-owned NTPC Green Energy Limited has plans to set up renewable energy and battery energy storage projects (BESS) in Bihar, a move which will increase the ...

The challenge with Renewable Energy sources arises due to their varying nature with time, climate, season or geographic location. Energy Storage Systems (ESS) can be used for storing available energy from Renewable ...

Article, July 18, 2025 First time attending the South African Transport Conference -- and what an experience! A first-hand reflection from SATC 2025 by Sudeshnee Pillay, highlighting key insights on electric buses,
