

The European Union and the Kingdom of Eswatini have a long-standing and cordial partnership dating back more than 50 years now. This partnership focuses on poverty reduction and the promotion of sustainable and inclusive growth and development. In pursuit of democracy, rule of law and human rights, the EU also supports the democratisation process ...

SummaryLocationOverviewCost and timelineSee alsoExternal linksEdwaleni Solar Power Station, is a 100 megawatts solar power plant under construction in Eswatini. The solar farm is under development by Frazium Energy, a subsidiary of the Frazer Solar Group, an Australian-German conglomerate. The solar component is complemented by a battery energy storage system, expected to be the largest in Africa. The energy off-taker is Eswatini Electricity Company (EEC), the national electricity utility parastatal company, under a 40-year power purchase agreement
