Contact Solar Reviews Zimbabwe today at +263 78 864 2437, +263 78 293 3586, or +263 78 922 2847. Let us help you pave the way to a more sustainable and energy-independent future, one step - and one affordable payment - at a time.

Consume your solar energy at night by storing the solar yield during the day. LiTE can be sized to deliver solar stored energy during critical or high tariff periods or through the whole night. Including a battery in your solar solution on time of use tariff sites allows you to eliminate grid consumption during high tariff periods (time shifting).

At Sona Solar Zimbabwe - your One-Stop Shop for a Brighter, More Sustainable Future, our core mission is customer satisfaction. We aim to close the gap between top-tier quality and affordability by providing a wide range of trusted brands in electrical and renewable solar equipment like solar panels, inverters, and batteries, ensuring customers access reliable options at competitive prices.
