Who is phnix heat pump manufacturer?

PHNIX is a professional heat pump manufacturer. We committed to research & development, and manufacture of air to water heat pump for house heating, cooling and domestic hot water, all-in-one heat pump water heater, commercial heat pump water heating solution and Full Inverter Swimming Pool Heat Pump in China.

Where is phnix located?

Address: NO. 3 Tianyuan Road, Dagang Town, Nansha, Guangzhou, Guangdong, P.R. China. Address: No. 6 Chongling Rd, Nansha District, Guangzhou, Guangdong, P.R. China. Do you need PHNIX's support and service? Contact us to get a quote about our products, including swimming pool heat pump, commercial heat pump and energy-efficient heat pump.

Who is phnix?

PHNIX is one of the largest manufacturers of Swimming Pool Heat Pumps, House Heating Heat Pumps and Heat Pump Water Heaters in China. PHNIX's vision is "To be a young company forever and leave more blue sky and white clouds to the future generations."

How phnix is a good heat pump company?

capability commitment to quality, PHNIX has built a total of 13 labs leading including testing of testing noise level, on this heat level, the low lab can conduct pump products range from 3kW to 250kW. With world Heat pump technology is our core strength.

What makes phnix unique?

Heat pump technology is our core strength. PHNIX focuses on technology research and development, adopting the most appropriate components for every heat pump. PHNIX also values technical communications and collaborations with world famous enterprises. PHNIX has a mature supply chain system composed of international branded suppliers.
