

What is the French Southern Territories?

The territory is sometimes referred to as the French Southern Lands (French: Terres australes françaises) or the French Southern Territories, usually to emphasize non-recognition of French sovereignty over Adélie Land as part of the Antarctic Treaty System. The entire territory has no known permanently settled inhabitants.

Which countries are part of the French Exclusive Economic Zone (EEZ)?

They make the French Exclusive Economic Zone (EEZ) the second largest in the world, after the United States of America. New Caledonia, French Polynesia and Wallis-et-Futuna are in the Pacific Ocean and their legal status reflects significant autonomy. The French Southern and Antarctic Territories (TAAF) are the only uninhabited overseas territory.

What are the French Southern & Antarctic Lands?

The French Southern and Antarctic Lands are an overseas territory of France that consist of the following: Adélie Land (Terre Adélie): This is the French claim on the continent of Antarctica. Crozet Islands (Îles Crozet): A group of islands in the southern Indian Ocean, located south of Madagascar.

Are French overseas territories heterogeneous?

French overseas territories are characterized by growing statutory diversity, revealing historical and socio-cultural heterogeneity that has been reflected in their statutory evolution. From 1946, only territories with no desire for independence are included within the French Republic.

How many French overseas territories are there?

Carine DAVID French overseas territories are made up of twelve territorial units, spread across the planet, eleven of them being inhabited. They make the French Exclusive Economic Zone (EEZ) the second largest in the world, after the United States of America.

Does Canada have an EEZ in Saint Pierre & Miquelon?

The EEZ of France. France claims some of Canada's EEZ at Saint Pierre and Miquelon, based on a new definition of the continental shelf and the exclusive economic zone between the two countries. Saint Pierre and Miquelon is entirely surrounded by Canada's EEZ.

All of the islands of the French Southern Territories have large populations of penguin, albatross, and seals. Early-20th-century introductions of rats, cats, rabbits, pigs and goats have now mostly been eradicated but left their mark on this fragile ECOSYSTEM. France declared the largest Exclusive Economic Zone (EEZ) in the world around the ...
