In the Northern Mariana Islands, you are required to wait 90 days before taking the test again after failing a subject area test the first time. After taking a test subject 3 times, you'll have to wait 60 days before retesting. There's no limit to how many times you can test in a year.

Glen Earrach Energy (GEE) has unveiled plans for a significant pumped storage hydro project on the Balmacaan estate in Scotland, The Insider has reported. With a 2GW power generation capacity and 30 gigawatt hours of storage, the facility can power one million homes.

The Northern Mariana Islands, a US commonwealth situated in the Western Pacific, presents unique challenges for technology and telecommunications due to its remote geography and sparse population. Spread over 14 islands and with a total population around 49,000, the distribution of residents is highly uneven, with the majority located on the island of Saipan.

NOTE: XPS laptops purchased after April 2022, have AC Adapter LEDs that turn off after the AC adapter is connected to AC power or connected to the computer. This feature was added to reduce light pollution in low light environments. When connected to the wall outlet, the LED illuminates for 10 seconds then turn off.
