With Hiko, our partners are able to shift from reactive emergency responses to planned, efficient maintenance. Electrical engineers, network managers and planners will recognise the need to address issues like this, to ensure network maintenance and performance in a rapidly evolving energy environment.

1 review of HIKO ENERGY "This company promises their customers a one month annual rebate check. After signing up and receiving no rebate check I inquired after missing two years only to learn that I had to request the rebate before a specific time which was never stated upon sign up. Every year thereafter I was sure to call in to inquire when the rebate was due and when to ...

In Chen v.Hiko Energy, LLC, No. 14-1771 (S.D.N.Y. Mar. 14, 2014), Chen, a New Jersey plaintiff, on behalf of himself and a putative class of New Jersey and New York plaintiffs, alleges that Hiko engaged in deceptive pricing practices. Chen avers that Hiko's practice of baiting and switching customers from local providers and then charging them a substantially ...
