

Honduras endoscope storage cabinet

The Scope-Store+ Endoscope Storage Cabinets provide an efficient and highly automated endoscope drying and storage solution. Designed and developed in consultation with clinical professionals the Scope-Store+ is the most advanced model in our range.

Moisture allows microorganisms to grow. The complete removal of moisture from the endoscope channels must be done before the endoscope is stored for subsequent use. Our drying/storage cabinets provide safe storage for these delicate flexible endoscopes, including the essential registration and traceability of each endoscope.
