

Hoppecke battery Venezuela

Who makes Hoppecke batteries?

Railway and metro systems propulsion and safeguarding (rail). With headquarters in Brilon-Hoppecke, with 22 international subsidiaries, more than 2,000 employees worldwide belong to the HOPPECKE family. Today, HOPPECKE is Europe's largest privately owned manufacturer of industrial batteries.

Are Hoppecke car batteries available online?

If you are a fan of AMARON batteries or you have heard about them, you may be pleased to know that Hoppecke is also under operation by Johnson Controls who co-owns AMARON as well. Despite their relative popularity, Hoppecke car batteries are not very easily had online. At The Battery Shop, we have that covered, with a ready supply.

Are Hoppecke batteries CE rated?

Get to know grid | Xtreme VR for your data center. HOPPECKE batteries already meet the necessary requirements of the EU Battery Regulation from August 2024 and are therefore CE marked from now on. Trust in our tested quality and always stay on the safe side with HOPPECKE. We are in the top 1% of all companies rated worldwide by EcoVadis.

Who is Hoppecke?

Today, we are the largest privately owned European manufacturer of industrial batteries. More than 10,000 customers in 150 countries trust in HOPPECKE products, quality and reliability. You can find an overview of all companies here [\[LINK PDF\]](#) With our products and solutions, we serve four application areas: trak, grid, sun and rail.

How many customers does Hoppecke serve?

More than 10,000 customers in 150 countries trust in HOPPECKE products, quality and reliability. You can find an overview of all companies here [\[LINK PDF\]](#) With our products and solutions, we serve four application areas: trak, grid, sun and rail. In addition, all four application areas are supported by the service and its offer.

Why should you choose Hoppecke?

HOPPECKE presents its new power line highlights. Take advantage of our innovations. CO2-free wide variety of customized solutions for emergency power and traction applications in the rail sector. With the energyFINDER we give you quick access to the products that fit your requirements.

HOPPECKE trak | ex is our special battery solution for use in industrial trucks in potentially explosive atmospheres. This solution is certified and produced in accordance with EU Directive 2014/34/EU (ATEX) and guarantees maximum ...
