Vestforbrænding and Innargi have entered an agreement to establish geothermal energy for district heating. The agreement is a part of Denmark's largest civil construction project within district heating, where 39,000 new heating customers change from oil and gas sourced heating to district heating. At the same time, the agreement brings ...

Innargi samarbejder med Kredsløb om at bringe geotermisk fjernvarme til Aarhus. Det samlede anlæg bliver EU's største af sin slags, når det står færdigt i 2030. I alt skal anlægget bestå af syv mindre anlæg på syv forskellige lokationer i Aarhus. Kredsløb og Innargi har indgået en 30-årig aftale om udvikling og drift af anlægget.
