At selected stores across the Island including all Manx Co-op stores- deposit batteries in the collection units. For further information on where and how are batteries are recycled please [click here](#).

Scores of travellers are waiting for alternative travel arrangements after an ATC failure in the UK left a dozen flights in and out of Ronaldsway cancelled. Beyond the issue of islanders trying to get home from a Bank Holiday break, others find themselves stranded across Europe as hundreds of flights were delayed or cancelled.

Eleven years after Frequentis AG installed its Voice Communication System (VCS) into Ronaldsway's original Air . Traffic Control tower, the company has returned to the Isle of Man (IoM) to integrate its 3020X Voice Communication Switch as part of the airport's major upgrade project, the avionics part of which was managed by NATS Services ...
