New Jersey Solar Panel Commission Report November 29, 2023 6 Background Governor Phil Murphy signed Public Law 2019, chapter 215 (P.L. 2019, c. 215) into effect on November 7, 2019. P.L. 2019, c. 215 mandated the formation of the "New Jersey Solar Panel Recycling Commission" ("Commission"). The Commission was established to:

Solar panel costs come down, but batteries don't. The life of a system before component replacement is 10 years. You are replacing panels AND batteries. Over all, it's more expensive than PSEG. And if there's a storm, you're stuck paying out to fix or replace the system. PSEG, it's free. Also, solar panels are highly toxic when thrown away.
