**KES GROUP: Pioneering the Future of Wood Products and Sustainable Living in Vietnam** Discover KES GROUP, the forefront of innovation in the wood product industry in Vietnam. Established in 2022, KES GROUP holds an impressive portfolio, including high-quality MDF and melamine boards, with a commitment to sustainability and superior craftsmanship.

For the past 24 years, KES Group has always aimed at sustainable values for the environment and society; therefore, we have prioritized the use of material sources from planted forests. KES Group's products are all under good quality control, meeting diverse aesthetic demands as well as protecting the environment and consumer health.

Production expansion project will meet lender's environmental, social sustainability rules. ... (IFC), the private lending arm of the World Bank Group, has injected US\$60 million into KES Group, Vietnam's largest producer of engineered wood panels and a leading provider of innovative solutions for the construction and interior industry.

Vietnam has made commitments towards sustainability. In 2012, the Vietnam Sustainable Development Strategy for 2011-2020 was signed. The strategy included ESG targets, priorities for the decade, solutions, and involved organizations. Additional targets were made in 2021. By 2030, they aim to stop deforestation and reduce Greenhouse Gas emissions.
