What is Sirajpower?

SirajPower is the leading distributed solar energy company in the UAE, with a 100 MWp distributed solar portfolio as of 2020. It is set for the next phase of regional expansion. SirajPower has proven resilient and continued to grow steadily during the pandemic, generating attractive energy savings for its clients.

Will sirajpower bolster its leadership in the UAE?

SirajPower, with the largest portfolio in the market, expects to strengthen its leadership in the UAE and accelerate its development to take the regional distributed solar sector to new heights. Amid the global headwinds, SirajPower has proven the resilience of its business model and continued to grow, generating important savings to its clients.

Does SirajPower offer a risk-free solar system?

SirajPower offers fully financed solar solutions with risk-free tariffs at a discount to your utility rate, providing instant savings with no upfront costs. Rather than self-investing or buying your solar system and assuming all risks, let us do what we do best, so you can focus on what you do best.
