ComaFruits was created in 2009 to enhance the value of the huge and largely unexploited organic mango catchment in Mali. Mangoes from Mali are probably among the most tasty, refined mangoes in the world. However, Mali is a landlocked country so farmers desperately need the support of a processing plant to take advantage of this natural blessing.

Mango Power guarantees that the Mango Power E device meets all US and International Safety and EMI Standards, and it comes with a 10-year CATL battery cell warranty. Please feel free to contact our support team at at any time t. ...
