

Malta swatten battery

Why should you visit the Malta Saluting Battery?

The Malta Saluting Battery - known locally as just the Saluting Battery - dates back 500 years and is one of the oldest of its kind to still be operated. In addition to providing the vibrant spectacle of the gun firing for visitors, the Malta Saluting Battery is also a great place for views of the harbour which it has historically protected.

How old is the Malta Saluting Battery?

The Malta Saluting Battery dates back 500 years and is one of the oldest of its kind to still be operated. The Malta Saluting Battery - known locally as just the Saluting Battery - dates back 500 years and is one of the oldest of its kind to still be operated.

How do I get to the Saluting Battery in Malta?

Today, the Saluting Battery is one of Malta's most vibrant visitor attractions and sees hundreds of thousands of visitors each year. There are guided tours available in multiple languages and Noon-day gun firings still occur. Follow the directional signs leading to the Saluting Battery starting from the main entrance into Valletta.

Is the Saluting Battery in Valletta still operational?

On 1st May 2019, the Saluting Battery in Valletta marked 15 years since opening its doors as a museum. On that same day in 2004, Malta became part of the European Union. It's the only ceremonial battery which is still operational and possibly the oldest in the world, according to tour guides who work on site.

Where were the gun signals fired in Malta?

Soon after the British occupied Malta in 1800, the three daily gun signals (at sunrise, noon and sunset) began to be fired from the Saluting Battery instead of Saint James Cavalier, as they had been during the order's rule. When the battery was undergoing maintenance, the shots were fired from Fort St Angelo on the opposite side of the harbour.

What time does a saluting battery fire in Valletta?

The gun is fired daily at noon and 4pm. The saluting battery is located high along Valletta's eastern historic ramparts and has spectacular views of the Grand Harbour and its surrounding fortified towns.

The Saluting Battery (Maltese: Batterija tas-Salut) is an artillery battery in Valletta, Malta. It was constructed in the 16th century by the Order of Saint John, on or near the site of an Ottoman battery from the Great Siege of Malta. The battery forms the lower tier of St. Peter & Paul Bastion of the Valletta Land Front, located below the Upper Barrakka Gardens and overlooking Fort St. Angelo an...
