What's the right solution for YOU? ? Here at Cotswold Energy Group, we understand that solar panels and heat pumps are not "one size fits all" solutions. We'll never just sell you an off-the-shelf product; our renewables design specialists will visit your property to thoroughly assess its suitability for renewable technology.

Cotswold Energy Group fitted our Air Source Heat Pump in March '22. The whole team were fabulous from the initial consultation right through to the plumbing and electrical fitting. Special thanks go to Zoe who kept in contact throughout.

Cotswold Energy Group installed our air source heat solution. Cotswold Energy Group installed our system a few years back and with everything happening with energy nowadays, what a great decision we made. We are quietly smiling at everyone with massive monthly bills and now have a great heating system.

Cotswold Energy Group Ltd (CEG) replaced my old gas boiler gravity-fed system with a mains-pressure ASHP system. That included both a unit that utilises the spare energy from our solar panels to heat the water, and a monitoring system (MMSP) that provides historical information on how the system is performing.

High-quality renovations and custom build solutions for your home, we are experienced in working from an initial spark of inspiration and thought through all the subsequent planning, design and development stages to full construction and post completion care. ... The imagery used throughout the website demonstrates projects that the Cotswold ...
