

New Zealand green lion

How many sea lions are there in New Zealand?

The New Zealand sea lion numbers around 12,000 and is one of the world's rarest sea lion species. They are the only species of the genus *Phocarctos*. New Zealand sea lions are one of the largest New Zealand animals.

Is this a female New Zealand sea lion?

After a site visit, DOC Rangers soon confirmed it was indeed a female New Zealand sea lion, and the pup was quite likely the first one to be born on the mainland in over 150 years. Mum, as this sea lion became known, was tagged as a pup in the Auckland Islands in the 1986/87 breeding season.

Are sea lions protected in New Zealand?

The New Zealand sea lion has been protected in one form or another since 1893, when sealing was prohibited by New Zealand law. Was this information helpful? Sorry about that.

Are New Zealand sea lions rare?

'New Zealand sea lions are one of the rarest seal species in the world and they are only found in New Zealand. It's our responsibility to ensure these precious animals are kept safe, and continue their road to recovery.' All photos Crown Copyright: Department of Conservation Te Papa Atawhai. Cover: New Zealand sea lion pup. Photo: Louise Chilvers.

What is a New Zealand sea lion pup?

It's a New Zealand sea lion (*pakake/whakahao*)! Normally found near the ocean, they've taken to the forest as a unique story of conservation success - and new opportunities. How adorable it must be to discover a sea lion pup in the woods. But watch out for mum and keep your distance!

Why is the New Zealand sea lion declining?

A range of threats contribute to the decline of the New Zealand sea lion. The main threats are disease and fisheries. A five-year programme of research, management and monitoring is being carried out to stabilise and grow the New Zealand sea lion population.

A piece of Kiwi yachting history, *Lion New Zealand* was designed by Ron Holland and launched 34 years ago for Sir Peter Blake's fourth attempt at the Whitbread Round the World Race in 1985-1986. Now owned by the NZ Sailing Trust, which purchased the yacht in 2008, *Lion New Zealand* today plays host to thousands of young New Zealanders. The ...
