What makes Sonnex different?

At SONNEX we distinguish ourselves from other brands by our focus on quality, aesthetics and sustainability. About Us-Premium German Solar Module_Sonnex Energie GmbH Sonnex is a solar module manufacturer with different technology, including PERC modules and N-type HJT and IBC back contact solar modules.

Why should you choose Sonnex?

With innovative technology and stringent quality control, Sonnex is devoted to offering highest efficiency and more reliable quality products to support our global partners and improves renewable energy efficiency. Recommended on: residential projects and industrial solar plants, higher efficiency is especially suitable on limited roof surfaces.

What is Sonnex energy warranty?

Sonnex Energie offers up to 30 years of product warranty and 30 years of power warranty. Sonnex Energie makes use of cutting-edge automated manufacturing lines and strict quality assurance procedures to ensure top-notch products are delivered consistently. SNX-D54HN430-435MS Full black modules

Series ReX-Sonnex Energie GmbH Sonnex, un leader mondial dans la fabrication de modules solaires, disposant d'une capacité annuelle de plus de 2 GW. Module des series ReX. Les modules des series ReX sont conçus avec des cellules en biseau qui permettent d'optimiser la surface utilisée du module. Il offre une efficacité la plus élevée et ...
