

Nova solar solutions Cuba

Nova Solar has become the most trusted name in solar for DC, Maryland, and Virginia because of our commitment to quality, honesty and value. As a referral-based business, we believe educating customers about the benefits of solar and helping them weigh all their options is the best way to produce happy customers and grow the industry as a whole.

Unlike other countries where people make a living from selling clean energy, in Cuba those who install solar panels essentially seek energy self-sufficiency, that is, to have electric power even during blackouts.

Meet the team behind Novo Solar, your go-to experts for solar and backup power solutions right here in the Western Cape. We're all about transforming homes and businesses with top-tier solar installations and reliable backup systems.
