Who is energy solutions Seychelles?

Welcome to Energy Solutions Seychelles - Leading solar energy company in the Seychelles We supply and install high quality solar energy systems and solar hot water products in the Seychelles. Our aim is to provide reliable technologies including photovoltaic panels and dependable installation service. Why Choose Us Most experienced

Why choose Seychelles solar energy?

Local Seychelles experience Mahe, Praslin, La Digue and outer islands Certified by Seychelles Energy Commission Approved by PUC Technical staff qualified in solar energy & energy efficiency Quality renewable energy products Warranty & Certification Best price Optimal performance Best return on investment Solar Energy PV Systems

Who installs roof top solar photovoltaic PV systems in the Seychelles?

Sine 2012,ESShas been installing rooftop solar photovoltaic PV systems in the Seychelles. Therefore,we have experience with grid-tied roof top solar PV system. Also we are an approved installer by the Seychelles Energy Commission and Public Utility Corporation.

Does Seychelles have a 5MW solar PV plant?

The Republic of Seychelles has inaugurated its second clean energy project, a 5MW solar PV plant with battery storage. The Republic of Seychelles has inaugurated its second clean energy project, a 5MW solar PV plant with battery storage.

Where are the solar power plants located in the Seychelles?

The facilities include the 5MW solar PV plant located in Ile de Romainville,a 3.3 MWh energy storage system located on Mahé; and a 33kV system that allows for the safe and stable supply of electricity from the PV power plant to the main island of Mahé;. This system helps increase the resilience of the national grid of the Seychelles.

Who is ESS Seychelles?

Contact Us ESS has been installing photovoltaic (PV) systems in Seychelles since 2012 and provides renewable energy products and energy efficiency consultancy. About Us FAQ About PV Products
