

Shine solar Saint Barthélemy

Who is Shine solar?

It is one of the largest solar panel installers in the region and has been in business since 2016. Its subsidiaries include Shine Air (HVAC services) and Shine Home (home energy efficiency).

Is Shine solar a good company?

I highly recommend Shine Solar for your solar needs." "Great customer service. Easy and smooth process. Would definitely recommend to anyone looking to go solar." "We loved working and will continue to love working with Shine Solar. They did a great job from start to finish and made it a very easy process.

Why should you choose Shine solar?

Our goal here at Shine Solar is to help homeowners become power owners as well, making your power bill an asset rather than a liability. Since 2003 utility payments have continually increased and nearly doubled in cost. If utility companies continue this trend, here is what your costs will be in the next 25 years.

Do you recommend Shine solar?

Each one that we have worked with have guided us through the process of design, installation, etc without a hitch, and have taken the time to answer every question. I highly recommend Shine Solar for your solar needs." "Great customer service. Easy and smooth process. Would definitely recommend to anyone looking to go solar."
