

Timor-Leste photovoltaic ceramic price

Timor-Leste does not yet have an environment that would support an implementation mechanism for a government program in which private PV dealers compete to make sales. The micro-financing system is still undeveloped and the current PV market consists almost entirely of households belonging to the bottom part of the income pyramid.

The official Timor-Leste government website, News. Tue. 04 of January of 2011, 11:15h. The Secretary of State for Energy Policy, Avelino Coelho, inaugurated the community photovoltaic energy central in Rotuto, Same, donated by the Coica Organization, through the Korean NGO Young Men's Christian Association (YMCA), on the 20 th December 2010.. This is a pilot ...
