What does IPT energy do?

fuel-oil supply services. IPT Energy's operations are based out of a storage facility in Sharjah. It owns its own fleet, ready to distribute B2B across the Emirates. IPT cooperates with major UAE companies to secure the supply of petroleum products necessary for its activities.

Why is IPT a success story?

Today, IPT is a success story that brings to the forefront more than five decades of experience in the energy sector. In 2021, IPT entered a new stage of development in the region and chose the UAE as the hub for its activities abroad. This step reaffirms the resilience of IPT despite the difficult times Lebanon underwent since 2019.

Who is IPT Lebanon?

The first step of its partnership is Total Energies UAE appointing IPT an authorized distributor of Total Lubricants, high quality engine oils. Check out our Profile to learn more about IPT in the UAE. You can also check out IPT Lebanon's pioneering journey here.
