VECAN is the network of over 100 Vermont town energy committees and the organizations that support them. Town energy committees are leading a powerful grassroots response to the pressing need to be more energy efficient and generate more in-state renewable energy while reducing greenhouse gas emissions.

The original Community Energy Dashboard/Energy Atlas was published in 2016 to help towns, businesses, and individuals take action to help Vermont meet our 90% renewable by 2050 goals, and to track our collective progress along the ...
